

Monthly Newsletter Advertisements

Our monthly Newsletter is distributed electronically to over 3200 members (400 members also receive a print version). The members look to this publication to find out the month's activities, read technical and non-technical articles, and hear about their colleagues. The Newsletter is typically 10-12 pages and comes out the first week of the month (combined issues: May/June, July/Aug).

The Illinois Section of ASCE is a non-partisan, non-profit, professional group of over 3,200 civil engineers that have expertise in and solutions for our infrastructure problems. As stewards of infrastructure and the environment, we strive to keep the public and elected officials grounded in facts and focused on long-term goals and solutions. The Section has technical groups and committees that focus on more specific disciplines and issues within the civil engineering field. We provide seminars, luncheons, and other gatherings to foster knowledge and connectivity as well as raise money for engineering student scholarships.

If you would like to advertise to our group of individuals (leaders in their companies and communities), please fill out the info below and send to **Brian Pawula**, the Advertising Director for the Section, at **brianp@thomas-engineering.com, (847) 922-6125**, Thomas Engineering Group, LLC. 238 S. Kenilworth Ave, Suite 100, Oak Park, IL 60302.

The monthly cost for advertising in the newsletter is as follows:

full page + website = \$525 ½ page + website = \$275 ¼ page + website = \$150 website only = \$10

Advertisements on the Illinois Section website (www.isasce.org) are posted as a listing with a link to a document of your choice.
