ASCE ILLINOIS SECTION STRUCTURAL GROUP APRIL DINNER MEETING

Sheet Piling for the Panama Canal

Phil Wright
Marketing Manager
L.B. Foster Company

Abstract:

This presentation will include an overview of L.B. Foster piling products, applications for steel piling structures and logistics of the 17,000-ton Panama Canal steel sheet pile supply contract.

Speaker:

Phil Wright is the Marketing Manager of Construction Products for L.B. Foster Company (Nasdaq: FSTR), a leading manufacturer, fabricator and distributor of products and services for rail, construction, energy, utility and recreation markets. In this role, Phil is responsible for all marketing and engineering support for a team of 25 sales professionals and is based at the Company's sales and R&D facility in Atlanta, GA.

Phil has more than 30 years of experience in the Construction Industry, of which 18 years have been with L.B. Foster. During this time, he has held various roles within the organization including most recently Manager of Engineered Solutions, District Sales Manager and Senior Sales Representative. He has played a major role in the development of the Company's Piling Products business with a particular focus on educational support to engineers who design steel sheet piling structures.

Phil holds a Bachelors of Science Degree in Building Construction from Northeast Louisiana University and has certifications in Building Construction, Heavy and Highway Construction, and Municipal and Public Works Construction.
