

AMERICAN SOCIETY OF CIVIL ENGINEERS
ILLINOIS SECTION – STRUCTURAL GROUP
PRESENTS THE 19TH BIENNIAL LECTURE SERIES

“SUSTAINABLE STRUCTURES”

CALL FOR ABSTRACTS

The Structural Group is now soliciting abstracts for the 19th Biennial Lecture Series entitled “**Sustainable Structures**”. The Lecture Series sessions will take place at the Harold Washington Library on March 2, 16, 30 and April 13, 2011. Please submit written abstracts on any relevant project involving the analysis, design, construction, inspection, or maintenance of structures that feature sustainable practices as a key component of the project. The sustainability elements need not be structural in nature. Sample topics are listed below. Abstracts must be less than 300 words. Authors may submit more than one abstract. The abstract submission must include the following information (not included in the 300 word count):

- Name, phone number, email address, and mailing address of the author(s)
- Employer name
- Title of the presentation/project
- Client/Owner of the project

Abstracts must be submitted via mail or email no later than October 15, 2010 to:

Victor E. Van Santen, P.E., S.E.
HDR Engineering, Inc.
8550 W. Bryn Mawr Ave., Suite 900
Chicago, IL 60631
Phone: (773) 380-7966
Email: victor.vansanten@hdrinc.com

Authors will be notified by the ASCE-IL Structural Group by November 24, 2010. Authors may choose to include either a full paper or slides from their presentation in the Lecture Series proceedings. An electronic copy of the paper/presentation must be submitted by January 28, 2011.

Topics for the 2011 ASCE-IL Structural Group Lecture Series – **Sustainable Structures**:

1. Building Structures
2. Transportation Structures
3. Energy Structures
4. Specialty Structures
