

# 10th Annual Legislative Visit to Springfield

*May 18, 2017*

As part of Infrastructure Week, the Illinois Section ASCE along with our other partnering Illinois ASCE Sections and Branches are converging on Springfield to speak with our elected officials about the importance of infrastructure investment and funding. Infrastructure Week is a national week of education and advocacy that brings together American businesses, workers, elected leaders and everyday citizen around one message **#TimeToBuild**.

Please join us in highlighting the state of our State's infrastructure to our State Senators and Representatives!
