

ORDER OF THE ENGINEER RING CEREMONIES AT 2017 PRESIDENT-ELECT/STUDENT SCHOLARSHIP DINNER

Illinois Section ASCE invites you to participate in the Order of the Engineer Ring Ceremony to be held in conjunction with the 2017 President-Elect/Student Scholarship Dinner.

The Order of the Engineer was initiated in the United States to foster a spirit of pride and responsibility in the engineering profession, to bridge the gap between training and experience, and to present to the public a visible symbol identifying the engineer. The first Ring Ceremony was held on June 4, 1970 at Cleveland State University. Others like it have since spread across the United States at which graduate and registered engineers are invited to accept the Obligation of the Engineer and to wear a stainless steel ring.

The Ring Ceremonies are conducted by Links (local sections) of the Order. Over 4,800 engineers have participated in ASCE led Ring Ceremonies since Spring 2003. More information on the Order of the Engineer can be found at www.order-of-the-engineer.org.

Participants at the 2017 President-Elect/Student Scholarship Dinner Ring Ceremony will take the Obligation of the Engineer and receive a stainless steel ring. The cost will be \$25 plus your dinner registration fee. Registration deadline is April 7, 2017. You can register for the dinner and the Ring Ceremony by following this link:

<https://www.123signup.com/event?id=nypzc>

After registering you will be contacted to fill out an Order of the Engineer registration form and sent a ring sizer chart to assist in determining your ring size.

For additional information on the Ceremony, please contact:
