

## SEI ILLINOIS CHAPTER SEAOI YEC SE Lateral Exam Study Groups

**Description:**

If you are planning to take the SE Exam, enhance your preparedness by joining SEI Illinois Chapter and SEAOI YEC's SE Study Groups. SEI/YEC are hosting one study group for the 2017 Fall SE exam focusing on the lateral session. The group provides a structured but informal setting for professionals to share knowledge and collaborate to solve study problems for the upcoming exam. **Study groups will be limited to a maximum of 10 participants in each group.** The cost of registration provides:

- Knowledge sharing with other professionals with diverse work experience
- Weekly problem sets and solutions (Brightwood Engineering Education Discount will also be provided)
- Dinner at each session
- Study group among peers (not instructor lead)

**Date & Time:** Each study group consists of 10 weekly sessions. The first 7 sessions cover the morning/breadth problems, the next 3 focus on the afternoon/depth problems. See schedule for more detail.

Study sessions will be on Mondays from 6:00pm to 9:00pm. They will run from August 21st through October 23rd.
