This award recognizes professional accomplishments and unique contributions to the civil engineering and construction profession and community in private or public sector. The following criteria will be considered in the selection process:

- Resides or be employed within the boundaries of the Illinois Section.
- Must be current member of ASCE-Illinois Section.
- Involvement in professional and technical societies (Civil Engineering and/or Construction).
- Civic and humanitarian activities (community service/volunteering).
- Professional guidance to future and junior civil engineers.
- Service to the advancement of the Civil Engineering profession.
- Innovation and excellence in construction of Civil Engineering projects and/or programs.

**Submittal Requirements:**

1. A completed nomination form.
2. A nomination letter, **no greater than two (2) pages**, supporting the qualities listed on the front page of this form. Innovation and excellence in construction of Civil Engineering projects and/or programs will be the primary selection factor.
3. (Optional). Letters of recommendation - A letter, **no greater than two (2) pages**, can be from any person who knows the nominee, such as a client, leader of a community group or professional organization.
4. A current resume - **The resume is limited to three (3) pages**. If the nominee has significant publications, state the number and only highlight the most significant ones.
5. Nominee shall not be considered for this award when currently serving as an active Illinois Section Officer, Board member (Director), and/or member of the Awards Committee.
6. A properly submitted and qualified nomination will be considered for up to a total of three years following the year it is initially submitted provided nomination is still valid and the nominee confirms that he/she wishes to be considered each year.
