As a means of fostering government agency participation in Society activities, the ASCE Illinois Section has established an award to recognize those public sector employers with offices located within the Illinois Section geographical region who encourage their engineers who work in the boundaries of the Illinois Section to actively participate in ASCE. Special recognition will go to those government agencies who exhibit exemplary support as evidenced by:

- Providing a model for involvement through agency-wide participation in local, regional, and national ASCE activities.
- Allowing engineers time off to attend ASCE meetings and seminars.
- Supporting and encouraging technical and professional growth.
- Encouraging engineers to prepare articles for publication in ASCE professional and technical journals.

**No government agency can receive the award in consecutive years. The award will be based on support for the Illinois Section ASCE members.**

**Submittal Requirements:**

1. A completed nomination form (this form).
2. A nomination letter, **no more than 400 words**, describing any specific activities or policies which demonstrate your agency’s (limited to offices located within the Illinois Section) support for involvement in ASCE. (Please attach a list of the ASCE members in your local agency office. Indicate those members who are active on an ASCE Section Board, Committee, Regional Council, or National Committees.)

Please mail one (1) original and e-mail a PDF of the award application **no later than JULY 17, 2020** to:
