

American Society of Civil Engineers Illinois Section 2021 Scholarship Application Instructions

The Illinois Section American Society of Civil Engineers (ISASCE) & Technical Institutes are pleased to invite Illinois Section university students to apply for this year's scholarships. Detailed descriptions, eligibility requirements, award selection criteria, and application instructions are included below.

- **ASCE Student Leadership & Involvement Scholarship**
 - **One** \$1,000 award for an undergraduate or graduate student in a current, active leadership role in their ASCE student chapter with a strong interest in continued ASCE involvement after graduation.
- **Construction Institute (CI) Scholarship**
 - **Two** \$1,000 awards for undergraduate or graduate students taking relevant elective courses or indicating strong interest in construction management or construction engineering.
- **Environmental and Water Resources Institute (EWRI) Scholarship**
 - **Two** \$1,000 awards for undergraduate or graduate students taking relevant elective courses or indicating strong interest in environmental engineering or water resources engineering.
- **Geo-Institute (GI) Scholarship**
 - **Two** \$1,500 awards for undergraduate or graduate students taking relevant elective courses or indicating strong interest in geotechnical engineering, geology, geo-environmental engineering or foundation engineering.
- **Structural Engineering Institute (SEI) Scholarship**
 - **Three** \$1,500 awards for undergraduate or graduate students taking relevant elective courses or indicating strong interest in structural engineering or architectural engineering.
- **Transportation & Development Institute (T&DI) Bob Camillone Memorial Scholarship**
 - **Two** \$2,000 awards for undergraduate or graduate students taking relevant elective courses or indicating strong interest in transportation engineering, drainage, urban planning, structural engineering, or geotechnical engineering.
- **Urban Planning and Development (UP&D) Scholarship**
 - **One** \$1,000 award for an undergraduate student taking relevant courses or indicating strong interest in civil engineering.

ELIGIBILITY REQUIREMENTS. Candidates shall meet the requirements below.

1. Active ASCE membership status with a valid Membership ID Number.
2. Currently pursuing a degree in an ABET-accredited undergraduate or graduate civil engineering or related program per the scholarship(s) for which they are applying.
3. Enrolled at the University of Illinois at Chicago (UIC), Northwestern University (NU), or Illinois Institute of Technology (IIT). Students from other schools may apply if they have an immediate family member who is a current active member of IL Section ASCE with a valid Membership ID Number.
4. Scheduled to be a full-time student for the Fall 2021 term or expected to graduate after August 2021.
5. Scholarships recipients will be asked to provide a photo and brief acceptance message for recognition on ISASCE social media, newsletters, and other publications. Due to COVID19, there will be no in-person event for the ISASCE Spring Scholarship Dinner, but a virtual pre-recorded event to recognize students is currently being planned for April (details to be determined).
6. Previous Illinois Section ASCE & Technical Institute Scholarship recipients are not eligible.

American Society of Civil Engineers Illinois Section 2021 Scholarship Application Instructions

SCHOLARSHIP AWARD CRITERIA. Scholarship recipients will be selected on the following basis:

- Academic Performance
- Work experience, community involvement, and other extracurricular activities
- Essay Response
- Two Letters of Recommendation

APPLICATION INSTRUCTIONS.

- All application items shall be submitted in PDF format (preferably 1 combined PDF) via email to illinoissection@isasce.org.
- The email subject line should read "**2021 ISASCE Scholarship Application – Applicant Name**".
- Application PDF submittals shall include the following 6 items, in order:
 1. **Completed 2021 Scholarship Application Form** (*see attached application form*)
 2. **Essay** (*see attached application form*)
 3. **Two letters of recommendation** (*see attached application form*)
 4. **Current résumé**, including work experience, community activities, and extracurriculars.
 5. A current, **unofficial academic transcript** with course titles, grades and cumulative GPA.
 6. A list of **registered (or anticipated) coursework for Fall 2021** (and/or Summer 2021) term
- If there are any questions regarding scholarships or the application, please email Sarah Harbaugh at illinoissection@isasce.org.
- **Complete applications must be received on or before Monday, March 15th, 2021.**

American Society of Civil Engineers Illinois Section 2021 Scholarship Application Form

APPLICATION DEADLINE: March 15th, 2021

EMAIL APPLICATION to: illinoissection@isasce.org

- Please indicate undergraduate or graduate student

Undergraduate
Bachelor of Science

Graduate
Master of Science, Doctor of Philosophy

- Please indicate the scholarship(s) you are applying for. If you are qualified to apply for more than one scholarship, please rank numerically by priority (**1 = first choice, 2 = second choice, etc.**)

- ASCE Student Leadership & Involvement
- Construction Institute (CI)
- Environmental and Water Resources Institute (EWRI)
- Geo-Institute (GI)
- Structural Engineering Institute (SEI)
- Transportation & Development Institute (T&DI) Bob Camillone Memorial
- Urban Planning and Development (UP&D)

- Please provide your ASCE Membership ID Number: _____

If you are *not* a UIC, IIT or NU student, please provide the name of your immediate family member who is an Illinois Section ASCE Member and their ASCE Membership ID Number on the line below:

- Essay:** On a separate page, write a short summary (300 words or less) explaining why you are pursuing a degree in your field of engineering, outlining your education, career objectives and goals.
- Two Letters of Recommendation:** Letters shall be written by a university faculty member, employer, community service supervisor or licensed professional engineer. Please provide the contact information for the individuals who provided the letters of recommendation included in this application:

	Name	Title	Email Address	Telephone #
1				
2				

- Please indicate below whether you would like to include your résumé in the 2021 IL Section ASCE Resume Book, distributed to potential employers looking for internship & full-time candidates.

Yes, include my résumé in 2021 ISASCE Résumé Book No, do not include my résumé in Résumé Book

PLEASE READ, SIGN, AND DATE THIS STATEMENT

All information included in this application is true and subject to verification by the Illinois Section ASCE. I agree to provide proof of ASCE membership if requested.

Print Applicant Name: _____

Signature: _____ Date: _____
