
NOMINATION FORM YOUNG CIVIL ENGINEER OF THE YEAR (Private Sector)

Illinois Section
Founded 1916

This award recognizes early professional accomplishments and unique contributions to the civil engineering profession or community. The following criteria will be considered in the selection process:

- Reside or be employed within the boundaries of the Illinois Section.
- Engineering achievement in private sector Civil Engineering.
- Service to the advancement of the profession.
- Civic and humanitarian activities (community service).
- Registered EIT or PE in any state
- Thirty-five years of age or less on February 1, 2022.
- More than 5 years of engineering experience as of February 1, 2022.

Submittal Requirements:

1. A completed nomination form.
2. A nomination letter, **no greater than three (3) pages**, supporting the qualities listed on the front page of this form. Engineering achievement will be the primary selection factor. Facts presented should include achievements in design, research, development, or management. Biographical information, previous awards, participation in ASCE or other organizations, and accomplishments deserving consideration should also be provided.
3. (Optional). Letters of recommendation - A letter, **no greater than two (2) pages**, can be from any person who knows the nominee, such as a client, project manager, or leader of a community group or professional organization.
4. (Optional). A current resume - **The resume is limited to two (2) pages**. If the nominee has significant publications, state the number, and only highlight the most significant ones.
5. A properly submitted and qualified nomination will be considered for up to a total of three years following the year it is initially submitted provided nominee still meets all other qualifications and the nominee confirms that he/she wishes to be considered each year.

Please mail one (1) original or e-mail a PDF of the award application **no later than JULY 15, 2022** to:
