

American Society of Civil Engineers Illinois Section 2023 Scholarship Application Instructions

The Illinois Section American Society of Civil Engineers (IS-ASCE) & Technical Institutes are pleased to invite Illinois Section university students to apply for this year's scholarships. Detailed descriptions, eligibility requirements, award selection criteria, and application instructions are included below.

IS-ASCE:

- **ASCE Commendation Scholarship**

- **One** \$1,000 award for an undergraduate or graduate student graduating in 2023. Should demonstrate active leadership role in their ASCE student chapter with a strong interest in continued ASCE involvement after graduation. ***Past IS-ASCE and Technical Institute scholarship recipients are eligible and encouraged to apply for this scholarship.***

Technical Institutes:

- **Construction Institute (CI) Scholarship**

- **Two** \$1,000 awards for undergraduate or graduate students taking relevant elective courses or indicating strong interest in construction management or construction engineering.

- **Environmental and Water Resources Institute (EWRI) Scholarship**

- **Two** \$1,000 awards for undergraduate or graduate students taking relevant elective courses or indicating strong interest in environmental engineering or water resources engineering.

- **Geo-Institute (GI) Scholarship**

- **Two** \$1,500 awards for undergraduate or graduate students taking relevant elective courses or indicating strong interest in geotechnical engineering, geology, geo-environmental engineering or foundation engineering.

- **Structural Engineering Institute (SEI) Scholarship**

- **Three** \$1,500 awards for undergraduate or graduate students taking relevant elective courses or indicating strong interest in structural engineering or architectural engineering.

- **Transportation & Development Institute (T&DI) - Bob Camillone Memorial Scholarship**

- **Two** \$2,000 awards for undergraduate or graduate students taking relevant elective courses or indicating strong interest in transportation engineering, drainage, urban planning, structural engineering, or geotechnical engineering.

ELIGIBILITY REQUIREMENTS:

- 1) Active ASCE membership status with a valid Membership ID Number.
- 2) Currently pursuing a degree in an ABET-accredited undergraduate or graduate civil engineering or related program per the scholarship(s) for which they are applying.
- 3) Enrolled at the University of Illinois at Chicago (UIC), Northwestern University (NU), or Illinois Institute of Technology (IIT). Students from other schools may apply if they have an immediate family member who is a current active member of IL Section ASCE with a valid Membership ID Number.
- 4) Educational-Term Requirements:
 - a) *IS-ASCE Scholarship*: Scheduled to graduate as an undergraduate or graduate student before August 2023
 - b) *Technical Institute Scholarships*: Scheduled to be a full-time student for the Fall 2023 term or expected to graduate after August 2023.
- 5) Previous Technical Institute Scholarship recipients are not eligible for 2023 Technical Institute Scholarships.

American Society of Civil Engineers Illinois Section 2023 Scholarship Application Instructions

APPLICATION INSTRUCTIONS:

- All application items shall be submitted in PDF format (preferably 1 combined PDF) via email to illinoissection@isasce.org.
- The email subject line should read "**2023 ISASCE Scholarship Application – Applicant Name**".
- Application PDF submittals shall include the following 6 items, in order:
 - i) **Completed 2023 Scholarship Application Form** (*see attached application form*)
 - ii) **Free-form Response** (*see attached application form*)
 - iii) **One (1) Letter of Recommendation** (*see attached application form*)
 - iv) **Current Résumé**, including work experience, community activities, and extracurriculars.
 - v) A current, **Unofficial Academic Transcript** with course titles, grades, expected graduation and cumulative GPA.
 - vi) *Technical Institute Scholarships*: A list of **Registered (or Anticipated) Coursework** for Fall 2023 (and/or Summer 2023) term.
- If there are any questions regarding scholarships or the application, please email Sarah Harbaugh at illinoissection@isasce.org.
- **Complete applications must be received on or before: Monday, March 20th, 2023.**

SCHOLARSHIP AWARD CRITERIA:

- Engineering experiences, community involvement, and other extracurricular activities
- Academic Performance
- Free-form Response
- Letter of Recommendation

SCHOLARSHIP AWARDS DINNER:

Scholarship Awards Winners will be announced Friday, April 7th via email. Scholarship award recipients are expected to attend the IS-ASCE President-Elect Student Scholarship Dinner and provide a photo for recognition on IS-ASCE social media, newsletters, and other publications. At this time, IS-ASCE plans to host an in-person Scholarship Dinner, tentatively scheduled for *Thursday, April 27th at Maggiano's Little Italy, 516 N Clark St, Chicago, IL*. Additional details will be provided upon confirmation of award.

American Society of Civil Engineers Illinois Section 2023 Scholarship Application Instructions

APPLICATION DEADLINE: Monday, March 20th, 2023 EMAIL APPLICATION to: illinoissection@isasce.org

- Please indicate undergraduate or graduate student

Undergraduate
Bachelor of Science

Graduate
Master of Science, Doctor of Philosophy

- Please indicate the scholarship(s) you are applying for. If you are qualified to apply for more than one scholarship, please rank numerically by priority (**1 = first choice, 2 = second choice, etc.**)

- ASCE Commendation Scholarship
- Construction Institute (CI)
- Environmental and Water Resources Institute (EWRI)
- Geo-Institute (GI)
- Structural Engineering Institute (SEI)
- Transportation & Development Institute (T&DI) Bob Camillone Memorial

- Please provide your **ASCE Membership ID Number**: _____

If you are **not** a UIC, IIT or NU student, please provide the name of your immediate family member who is an Illinois Section ASCE Member and their ASCE Membership ID Number on the line below:

Family Member
Name: _____

Family Member
ASCE Membership ID #: _____

- Free-Form Response:** On a separate page, develop a short response examining your relationship with the field of engineering. Think about what makes you unique, why are you passionate about the field, how you have/hope to contribute to your community, or any challenges you have overcome to get where you are. Creativity of content and structure is encouraged. *Recommended limit of 300 words.*
- One (1) Letter of Recommendation:** Letter shall be written by a university faculty member, employer, community service supervisor or licensed professional engineer. Please provide the contact information for the individual who provided the letter of recommendation included in this application

<i>Name</i>	<i>Title</i>	<i>Email Address</i>	<i>Telephone #</i>

- Please indicate below whether you would like to include your résumé in the 2023 IL Section ASCE Resume Book, distributed to potential employers looking for internship & full-time candidates.

Yes, include my résumé in 2023 IS-ASCE Résumé Book No, do not include my résumé in Résumé Book

PLEASE READ, SIGN, AND DATE THIS STATEMENT

All information included in this application is true and subject to verification by the Illinois Section ASCE. I agree to provide proof of ASCE membership if requested.

Print Applicant Name: _____

Signature: _____ Date: _____
